## Ab Ki Ye Subah

Ab ki ye subah is qadar hui  
Shaam ki hamien kuch khabar nahi  
Shiekh ka bayaan is qadar haseen  
Ilam ki zubaan be-asar hui

Koi aisa jahaan, jahaan na raat ho  
Bin bole bayaan, bayaan voh baat ho  
Gar meri sunoh voh lajawab ho  
Mera jo baqaa, jo mera khwaab ho

Tab ki ye subah is qadar hui  
Roz ki hamien kuch fikar nahi  
Sheikh ka bayaan is qadar haseen  
Deedh ki zubaan ab asar hui

Koi aisa jahaan, jahaan na raat ho  
Bin bole bayaan, bayaan voh baat ho  
Gar meri sunoh voh lajawab ho  
Mera jo baqaa, voh mera khwaab ho

Ho shadman har maqaam  
Shaheen rooh aur zubaan  
Ho kaargar aur wasii  
Shokh-e-baran mast-e-baran

## (Translation)

Come, O Gardener!  
Come to create the glory of a new spring  
A spring in which the roses will bloom,  
The nightingale will sing

The garden is desolate, the dew is mourning  
And the roses in torn robes look anxious

Come, O Gardener!  
To awaken your garden  
To breathe new life into the roses  
To breathe new life into the nightingale

Summon an earthquake,  
A storm,  
The thunder,  
A tornado

Oh beloved, stop and listen to the torment that pursues  
The affliction is you, the pain continues  
It's you who heals, it's you who wreaks  
The childhood lost in the burning pyre
